

'One stop shop' eCommerce Business for Babes & Tots - toys, clothing, accessories! Queensland

Inspired by a love of all things beautiful for children.

This online retailer features a wonderful range of the latest and greatest in baby essentials, as well as baby and children's toys, clothing, décor and accessories for ages 0 to 5. A one-stop-shop for the little people in our lives.

The business focuses on quality products that have a strong foundation of sustainability, ethical production and organic materials.

As a full turnkey business, all the set up and preparatory work has been done - sourcing products, suppliers, key contacts, establishing the customer base and social media. A new owner could walk in and operate as is, however, there is potential to put their own stamp on an...
